

August 15, 2017

Dear Florida Artists Group Member,

It is that time again for dues renewal for active membership.

As an active member, we ask that you do the following:

- Attend your area meetings and be involved.
- Participate and exhibit in each symposium when possible.
- Attend a symposium at least once every three years to stay active.
- Send in information for the newsletter when asked by the newsletter editor.
- Keep your personal page on the website updated with the webmaster.
- Notify me if you have an address, phone number or email address change.

FLAG has not raised its membership dues in many years. It is now \$65.00 for active membership. In 2017, FLAG has incurred higher printing costs for the recent Coral Springs symposium catalog. We have taken moneys out from our investments to cover part of these costs but we also need your support as well which is an additional *one-time-fee of \$10.00*.

Your total amount due for Oct. 1, 2017- Sept. 30, 2018 membership is \$75.00.

FLAG realizes that this is an unexpected increase. With your assistance, we will be able to complete the 2017 catalog printing which will be distributed through your Area Chairs.

Please mail in your dues early and no later than postmarked **Sept. 27, 2017 to be received in a timely manner by Oct. 1st**. If your dues are received October 2nd or later, an additional \$20 late fee will be applied.

If you wish to change your membership status, please notify your Area Chair or me. Thank you for your continued support.

Joanna Coke, Membership Chair artist@joannacoke.com

Please return this portion with your \$75.00 2017-18 Active dues
