## JURIED SHOWS

To insure an excellent annual exhibition the show is juried. The practice is to have an out-of-state juror who is prominently associated with art administration or education or is a painter of national repute. Whenever it is possible the juror is also one of the principle speakers at the Symposium.

Critic: "What kind of Jury do you like?"  
Artist: "I like a Jury that likes my work."

# FLORIDA ARTIST GROUP, INC.

ORGANIZED IN 1949

## PURPOSE

The FLORIDA ARTIST GROUP was incorporated as a non-profit organization of practicing artists who had gained recognition nationally or state-wide and whose work would contribute significantly to its exhibitions. The purpose is the stimulation of finer standards of the creative effort within the state of Florida.

In every painting, as in any other work of art, there is always an idea, never a story.
