The Florida Artist Group is unique in the respect that it has as one of its prime interests the circuiting of the paintings of outstanding Florida artists to other parts of the nation. The organization is a non-profit, educational society with a select limited membership. Only artists residing in Florida are eligible. The group consists of practicing artists who have gained recognition nationally or on a state-wide and regional basis and whose work contributes significantly to its exhibitions.

Through the years the Florida Artist Group circuit exhibitions have been shown from coast to coast in the United States and Canada. A Symposium and Exhibition is held annually, in a different city in Florida each year. Symposium proceedings, exhibition catalogues and the circuit show are available on request. Inquiries concerning the program and activities of the Florida Artist Group may be addressed to: James Crane, President, 7326 Demens Drive South, St. Petersburg, Florida. Inquiries concerning the circuit show may be addressed to: Fred Messersmith, Circuit Director, Art Department, Stetson University, DeLand, Florida.
